

CHANGE OF ADDRESS

The Directors of The Soaring Society of America, Inc., have moved our organization's headquarters to Washington, believing that this step is in the best interests of the Soaring movement. It should increase the efficiency of efforts aiming to further the development of Soaring in the United States and will permit closer cooperation with the National Aeronautic Association in its National Program for private flying. The New Address is:

**1909 MASSACHUSETTS AVE.
WASHINGTON, D. C.**

The Art of Soaring Flight

By WOLF HIRTH

214 pages with many illustrations, detailed sketches and clear descriptions of soaring technique.

A guide to the secrets of soaring! In addition, some of the best known soaring pilots—Wolf Hirth, P. A. Wills, Peter Riedel, J. S. Fox, R. Kronfeld, L. B. Barringer—have written of their latest experiences in soaring flight. . . . \$1.50
