The Art of Soaring Flight

by WOLF HIRTH

214 pages with many illustrations, detailed sketches and clear
descriptions of soaring technique.

A guide to the secrets of soaring! In addition, some of the
best known soaring pilots—Wolf Hirth, P. A. Wills, Peter
Riedel, J. S. Fox, R. Kronfeld, L. B. Barringer—have written of
their latest experiences in soaring flight. \$1.50
