

Do You Want Your Magazine Regularly Each Month?

If so, assist in the following ways:

1. Submit news regularly each month on your club and regional activities.
2. Encourage those who make outstanding performances to send in to "Soaring" a written account of their flights.
3. Keep your own membership up-to-date.
4. Encourage the non-members in your club or group to sign up at once as members of The Soaring Society of America, Inc.
