

*Schweizer Two-place Sailplane*

## READY FOR PRODUCTION

In our new location at the Soaring Center of the U. S. A. we are ready for production on the 1940 models of the record breaking two-place sailplane (Model SGS 2-8) and the remarkable all-metal utility (SGU 1-7) that many have called the smoothest ship they have ever flown. Write for details and latest prices on these thoroughly proven models. Also for our complete line of gliding and soaring equipment.
