

(Jettisoning the Ballast Water)

FOR 1948 DELIVERY THE CHAMPIONSHIP "1-21"

We are now taking orders for this remarkable sailplane. Its clean design together with its water ballast system makes it the foremost threat to the existing world records—and at the same time—the most striking exhibition sailplane. Whether it's for records—competition—exhibition—or just fun, the "1-21" is the ship for you. Write for details.

Prices start as low as \$2974 in "semi-completed kit"

Gliding School

We are now taking reservations for next season's gliding courses—both regular and "G. I." Write now for early reservations.

For those interested in starting a G. I. Glider School, write for FREE copy of 45 page booklet "G. I. Glider School Data."
