## Important Announcements

—◆—

**A TECHNICAL MEETING** will be held at the 17th NSM. All those interested in presenting papers should communicate as soon as possible with Dr. August Raspet, Box 85, State College, Miss.

**CONTEST BULLETINS** being sent out by the TSA will henceforth go only to those who indicate their interest by letters to Dr. W. C. Sellman, 313 Medical Arts Bldg., Dallas, Texas.

**DEADLINE** for the May-June issue of **SOARING** is May 1. All ads and other material must reach 410 S. Jackson St., Starkville, Miss., by that date. News from Clubs and members is especially welcome.

**WEST COAST PILOTS**—don't miss the 2nd Annual Kern County Championships to be held at Shafter, Calif., May 13-14-20-21. Last year's meet was a big success and enjoyed by all.

## SAILPLANE and GLIDER

The only British Journal entirely devoted to Gliding and Ultra Light Aircraft.

It was founded in 1930 and, except for the early war years, has functioned ever since as a leading journal covering flying for sport—It circulates all over the world and has correspondents in every country where gliding is practiced.

If you wish to hear more news about Gliding Achievements, Sailplane Design, Meteorological Observation as applied to light flying, you should subscribe to **SAILPLANE AND GLIDER**.

Send your subscription, \$2.90, to

**Rolls House Publishing Co.**  
**Rolls House, Breams Buildings**  
**Fetter Lane, London, E.C. 4**  
**England**

This will ensure **SAILPLANE AND GLIDER** being posted to you for 12 succeeding months.

A few back numbers and a few bound volumes are available
