Dr. W. B. Klemperer  
738 So. Bristol Ave.  
Los Angeles, Calif.  
Dear Dr. Klemperer:

In acknowledgment of your long service and many, many contributions to soaring and the Soaring Society it was the pleasure of the Directors of the Soaring Society of America to bestow upon you a life membership in the Society, at the regular meeting of the Board on July 5th, 1951.

Further, to insure the Society of continued benefit of your wide knowledge of all motorless flight activities and particularly those of international scope, and further, to insure itself of the advantage of your continued participation in the administration of Soaring Society affairs, the Board, by unanimous decision on the same date, elected you to the office of Honorary Vice President.

It is hoped that you will accept this meager acknowledgment of appreciation as well as the office of Honorary Vice President and that Soaring and the Society can continue to enjoy the prestige of your honored name and the benefit of your experience and seasoned judgment.

For the Board of Directors and members of the Soaring Society of America.

JON D. CARSEY, President  
Soaring Society of America.
