

YOUTH

- *The time is NOW for a great youth program in gliding and soaring in the United States.*
- *Soaring can open wide the doors — now closed—to bring American boys and girls, young men and young women, throughout the country into aviation.*
- *Elsewhere in the world today, foreign governments and industry are backing vast youth movements in soaring to develop air power.*
- *Soaring is clearly the way to a REAL NATIONAL YOUTH AVIATION PROGRAM in the U.S.*
- *Let's work on it!*
