

**NOW
A
LIGHTWEIGHT
BAROGRAPH** for glider pilots
and sporting flyers
**INDICATES
and RECORDS**

The Peravia B-139 gives a clear, uninterrupted record on a continuous chart without smoke or ink. It records on a linear scale making a clear and positive record of release point, altitudes, landing and duration. From the Peravia Barogram the time, duration, and rate of climb or descent can be read for any portion of your flight. No "fixing" or other inconvenient handling is required.

**PAY AS YOU
FLY!**

FOR AS LOW AS \$42.50 DOWN AND 12
MONTHLY PAYMENTS OF \$12.50 YOU CAN
OWN THE PERAVIA BAROGRAPH RIGHT NOW!
WRITE AT ONCE FOR FULL DETAILS.
