

Get Set To Fly By Spring!

Build the "One Design Class" SCHWEIZER 1-26 SAILPLANE AN IDEAL WINTER PROJECT

Labor Day Weekend at Famous Harris Hill, Elmira, N. Y. Site of the first National 1-26 Regatta

An ever growing record of good performances, challenging one-design competition, and stimulating reports from 1-26 kit builders . . . make the 1-26 the ideal sailplane kit for you to build this winter.

INDIVIDUALS — Satisfying fun for you and the whole family—a cooperative, constructive, creative project that turns your spare winter hours into flying sport all next spring, summer, and fall.

CLUBS — A natural project to keep club interest alive during off-flying seasons.

Perhaps you have been thinking a long time about the 1-26. Now is the time to start building yours—either from the complete kit package—or on our pay-as-you-build plan.

YOU CAN START BUILDING YOUR 1-26 FOR ONLY \$195

Mail a postcard today for complete information.

START NOW — so you can be ready to fly by spring.
