## BIKLE RECORD

(Continued from Page 10)

test has all the excitement of the Nationals and is allowing many to compete and participate who would not have the chance at a continuous week long affair.

Paul will not rest easy with this record for Bishop and return is quite possible under the right conditions and he would like to be the first to make it, 388 miles (624 km.) which would set the record for some time to come.

(As we go to press we learn that Schwarzenberger again flying the Weihe, has beaten his own distance and goal record, and becomes **No. 2 Swiss Diamond 'C'** holder with a flight from Grand Prairie to Odessa, 320 miles.)
