

SCHWEIZER SAILPLANES

There's One In the Air For You!

Fully C.A.A. Approved
Quality Standard for Over 25 Years

1-26 KIT SAILPLANE—Available as a kit, uncovered ship or a complete ship. There is still time to get flying this season in a 1-26.

1-23D HIGH PERFORMANCE SAILPLANE—For those interested in top performance the 1-23D is available. This rugged, thoroughly proven, easy-to-fly and comfortable ship makes flying a real joy.

2-22 TRAINING SAILPLANE—This favorite and well proved two-place trainer is again available. Safe, easy-to-fly, it makes instruction a pleasure. Ideal for airplane tow, winch or auto tow. You get more flying, more pilots soloed and more ratings with a 2-22 as a trainer.

YOU GET THESE BONUSES WHEN YOU OWN A SCHWEIZER:
