REHR SETS FLORIDA RECORD

Lou Rehr has set up a Florida distance soaring record of 156 mi. in his Schweizer 1-23G by soaring from Lantana to Lakeland, Fla., on Nov. 5th. He offers a magnum of champagne to the first SSA member who betters this distance in Florida by June, 1961, and a free air tow from Lantana airport for all contenders. A vacation project for you?

SEASONS GREETINGS

On behalf of the SSA Officers, Directors, staff and himself, the Editor would like to take this opportunity to extend annual seasons greetings to all SSA members and readers of *Soaring*. We hope that soaring will contribute toward making yours a Happy New Year.

DON'T FORGET TO VOTE!

Nominations are over and election ballots should be arriving to all voting members in SSA regions 2, 4, 7, 8, 9 and 10 about the same time as this magazine. Each of these six regions will elect one Regional Director for a three year term. Resumes of each nominee will accompany the ballots to assist all voters in making their selection. Mail your ballot back by the deadline and thereby exercise one of the most important privileges of your membership.
