Cover photo: Harland C. Ross in his Ross R-6 sailplane cavorts about with the camera plane on the first flight the ship made this year, 3½ hours on June 26th. The ship is all-metal, designed and built by Ross and flown by him on the flight described in the feature article of this issue. This combination also holds all three two-place world soaring speed records.
Photo by David D. Blanton.

Soaring magazine is the publication of The Soaring Society of America, Inc., Editorial office and address of the Society: P. O. Box 66071, Los Angeles 66, Calif. (12536 Woodbine Street).
