

SCHWEIZER 1-26
One Design Sailplane

IDEAL SOARING TEAM FOR YOUR CLUB

SCHWEIZER 2-22C
Training Sailplane

THE RIGHT COMBINATION FOR SUCCESSFUL CLUB OPERATION

Increase your club's activity; solo more pilots, get more FAI Awards and build up your membership. The Schweizer 2-22C, two-place trainer and the 1-26 One Design sailplane, make the ideal soaring team for your club. The 2-22C is used by almost all leading clubs and the 1-26 is America's most popular sailplane. These two FAA approved, all-metal sailplanes will give the best service at the lowest overall cost.

AVAILABLE IN KITS

Build your own 2-22C or 1-26 from the three types of kits available for each model. Makes an interesting winter project for your club or for individuals or groups within a club.
