

1960 DIRECTORY FINISHED

The 1960 edition of the SSA Soaring Directory is now at the printer and should be in the mail to all SSA voting members before the end of July. Thicker than any previous edition, this one boasts 112 pages and includes a wealth of soaring information, much of it never presented before in this form.

Content of the Directory includes lists of SSA officers, directors, committee chairmen, State Governors, membership roster, clubs, schools and operators, a complete census of U.S. sailplanes, records, rules for FAI soaring badges, holders of badges, winners of 1959 contests and SSA trophy recipients, suppliers of plans, kits and complete sailplanes and suppliers of soaring equipment.

Distribution of the Directory is limited to SSA members. It is automatically sent free to all voting members, whereas Associates and Student Members may purchase copies for \$2.00 each.

TEAM CONTRIBUTIONS

The U. S. was well represented at the 1960 World Soaring Championships at Cologne, Germany, in June with a team selected and sent by SSA. Although they did not win, everyone concerned thought it was a very worthwhile effort.

Expenses of the team will be covered solely through contributions from interested parties and team members. Although all accountings of expenses have not been received as yet, it is not expected that the total of contributions to date will cover them. Persons or clubs wishing to add to the total are invited to send their checks, made payable to "SSA International Fund," to Box

66071, Los Angeles 66, Calif. Contributions to SSA are deductible on Federal income tax returns. Should there be a surplus, it will be held for use by the 1962 U. S. soaring team.
