

Christmas Suggestions

A new Schweizer sailplane or kit would make a wonderful Christmas gift for the soaring family. However, since it would be a bit too large to go under most Christmas trees, we list below some other new and interesting gift possibilities.

NEW BOOKS

WHERE NO BIRDS FLY by Philip Wills—Another beautifully written and illustrated book by this world famous soaring pilot and author. Every soaring pilot will want a copy of this book. Price \$4.75 postage paid.

METEOROLOGY FOR GLIDER PILOTS by S. E. Wallington—Meteorologist for the British International Team. The first "Met" book devoted to soaring. Very thorough and complete. Profusely illustrated. Every serious soaring pilot should read this book. Price \$6.50 postage paid.

BEAUTY OF GLIDING: Foreword by Philip Wills. Finest collection of sailplane pictures and soaring scenes ever offered. Beautiful library edition. Price \$7.50 postage paid.

OTHER SOARING BOOKS AVAILABLE — Write in for a complete list of soaring books available. Pilots' log books and glider logs at \$1.00 each postage paid make excellent stocking fillers.

GIFT BOXED

The books offered in this ad are packed in attractive gift boxes (less ribbon).

DETAILED SCALE MODELS

Kits to build 12" models of the famous three — 2-22C, 1-26 and 1-23H. Price \$1.25 each or package containing one of each for \$3.00. (less ribbon)

BAROGRAPHS

Has the lack of a barograph caused you to miss certifying an FAI Award Flight? We stock the famous Winter 0-26000 ft. model with the 2, 4 and 10 hr. drum. Price \$122.25

ALSO, A COMPLETE LINE OF ACCESSORIES AND INSTRUMENTS

We have just about everything needed by soaring enthusiasts. Let us have your requirements, and we will be glad to send you information and prices.

MEMO: Now's the time to make that decision on getting your Schweizer Sailplane Kit. Order one now and be flying next spring. See your Dealer or write direct.
