

# \$1,000 SCHWEIZER BEST FLIGHT CONTEST

**Cross-Country Soaring is fun!** Try it and see! Get your silver, gold or diamond "C" distance leg and win a prize at the same time!

**Eighteen prizes — Three zones — Two classes — Three Prizes in Each Class** — A barograph as first prize for best I-26 and 2-22 flight in each zone. The majority of FAI award flights in this country are made in Schweizer sailplanes. Realize the potential performance of your I-26 and 2-22. Here is added incentive to get up and go.

Contest is open to all SSA members flying any certified model of the 2-22 or I-26 sailplanes. Prize will be for the best straight line distance in each ship for each of the three zones outlined on the map above. Write to your Schweizer dealer or direct for more information and flight application blanks.

A limited number of complete, ready-to-fly I-26 and 2-22's will be available in our spring schedule. Kits are available from stock, and there is still time to get these flying this year. Why not make the decision and get one of these popular sailplanes? Join the fun.
