

Soaring

The Journal of The Soaring Society of America, Inc.
SSA is a Division of the National Aeronautic Assn.

ANOTHER PHOTO CONTEST

As for 1961, \$200 has been contributed to SSA for the purpose of conducting another contest for photos of sailplanes in flight. The new contest will run until October 1, 1962. Prize money will be awarded as follows: \$100, \$50, \$25 and five awards of \$5 each. Any person may enter in the contest any photo of a sailplane in flight not previously submitted or used in *Soaring* magazine or a soaring calendar. If the entrant did not take the photograph, he must submit a release from the photographer. All entries must be 8" x 10" black and white glossy prints marked "contest" and becomes the property of SSA. None will be returned.

Entries will be judged by four members of the SSA Publications Committee. Weight in judging will be given to sailplanes currently flying in order to promote modern, up-to-date soaring. Send photos to SSA, Box 66071, Los Angeles 66, Calif.

TECHNICAL PAPERS FOR THE 9TH OSTIV CONGRESS

The response to the call for papers which was published in the February, 1962, issue of *Soaring* was encouraging.

It is desired to make a correction in the article. It has not been confirmed that the 9th OSTIV Congress will be in Argentina in February, 1963, although it has been the custom in the past to hold the OSTIV Congresses concurrently with the World Championships.

The decision as to time and place will be made during the OSTIV Board meeting in Zurich, Switzerland, in mid-March. For this reason the date for submission of titles of papers is extended. The closing date will be announced as soon as it can be determined.

Since there is yet time available, additional papers will be most welcome. The chairmen of the SSA Technical and Scientific Committees are assisting in gathering papers and will be reviewing the U.S. papers finally selected for presentation.
