WHO MAKES AN ORGANIZATION A SUCCESS?

Even though my typewriter is an old model, it works quite well except for one of the keys. I have wished many times that it worked perfectly. It is true that there are forty-six keys that function well enough, but just one key not working sure seems to make the difference.

Sometimes it appears that our organization is somewhat like my typewriter — not all the key people are working properly.

One may say to himself, "Well, I am only one person. I sure won't make or break the Soaring Society." But it does make a difference because the SSA, to be effective in serving the soaring fraternity and promoting the soaring movement, vitally needs the active participation of every member.

So the next time you think you are only one person and your efforts are not needed, remember my typewriter and say to yourself, "I am a key person in the organization and I am needed very much indeed."

The SSA lapel emblem with screw-post or woman's pin back. \$1.00 each, tax included, from SSA, Box 66071, Los Angeles 66, Calif. All new full Members receive one free.
