Chapter Rebates Sent

Annual partial SSA dues rebates for 29 of SSA's 56 Chapters were made during April, the anniversary month for these Chapters. The checks mailed out totalled \$1087. The remaining qualifying Chapters receive their rebates each October. The partial dues rebates are given on the basis of \$2 for each SSA full Member and \$1 for each Family Member on the roster.

SSA Chapters are approved organizations that have at least seven voting members of SSA and in which all other members hold some grade of SSA membership. Chapter members comprise 42% of SSA's total membership. The partial dues rebate is a benefit given to those Chapters which maintain 100% voting members and Student Members on their rosters (no Associates). All Chapters are given a number of other benefits which are listed in SSA's Item #41, an information sheet on the subject of SSA Chapters, copies of which are available from SSA.
