

SSA LIFE MEMBERSHIP CONTEST

RULES AND PRIZES

Over \$1000 worth of prizes! Become an SSA Life Member to be eligible to win one of the valuable prizes in this contest.

Life Membership in SSA costs \$200, which may be paid in four consecutive quarterly installments of \$50 each. Present SSA members desiring to upgrade to this status

receive credit for the unearned portion of their existing dues. Life Member fees are invested in a special account, the interest from which is used to service the memberships. The Society encourages this grade of membership because of the economies involved and value it offers to the individual, es-

pecially if their life expectancy is good.

Contest Rules

1. Any individual who becomes an SSA Life Member between January 1, 1964, and June 30, 1964, will be eligible to win one of the prizes in this contest.

2. The names of all eligible Life Members will be included in a drawing for the prizes.

3. The official prize list will be that published in the June, 1964, issue of *Soaring* magazine.

4. Prizes will be awarded in the order that names are drawn, first prize to first name, etc.
