## Club News

The following letter, which needs little comment, is currently being circulated to all soaring clubs:

Please send to Bob Fuller, 4730 Chestnut St., Philadelphia, Pa. 19139, any club news which you want inserted into *Soaring* magazine. News should be of a general interest, and should contain news items such as significant flights, new gliders obtained, special types of operations, new clubs formed, and all other information of a *general* nature, not of specific interest only to your particular club members.

Clubs with newsletters should mark specific information they believe applicable for the magazine; do not send newsletters without *specific* news indicated.

Press releases from clubs will be edited and/or rewritten, as the case may be; each release should deal with a single subject.

A sincere attempt will be made to include all valid club news in forthcoming issues of *Soaring* magazine.
