German Nationals Invitation

The German Aero Club has extended a kind invitation for a member of the U.S. national soaring team to participate in the 1966 German National Soaring Championships. The contest is scheduled for the period May 29-June 12 at the Roth aerodrome near Nurnberg. Since the U.S. does not maintain a national soaring team, as such, other than selection of pilots to fly in World Championships, it would appear that this invitation could be filled by some well qualified competition soaring pilot. Any such pilot who is interested in representing the U.S. at this event should apply to Sterling Starr, SSA Contest Board Chairman, 820 Gage Dr., San Diego 6, Calif., with a resumé of his qualifications.
