

Frances Rook, Miss Soaring of 1966.

The French Fauvette, donated to the SSA by Dale May and subsequently purchased by Rose Marie Licher and Pete Peterson, was one of several foreign sailplanes in contest. Walt Mooney (below) was contest director.

Ray Proenneke, seen here in the cockpit of his home-built Cherokee, was Meet Champion for the second time.

A surprising number of former Torrey Pines Champions were on hand to help carve up the cake. From left to right: Herman Stiglmeier, John Williams, John Loufek, Dave McNay, Pete Peterson, Paul Bikle, Jack Lambie, Dave Boone, Paul MacCready, Sterling Starr and Larry Bell.
