

# TOP TEAM - 600 Strong

Jim Doyle, President of Northeastern Light Aircraft receiving the Bill of Sale for the 350th 1-26 and the 250th 2-22E from Tony Doherty, Schweizer Sales Manager. Both Sailplanes will be added to equipment at Mr. Doyle's Salem, New Hampshire Soaring Center.

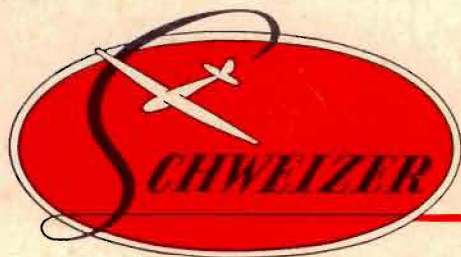

## 2-22E No. 250 and 1-26 No. 350 DELIVERED!

Shown with Northeastern Light Aircraft personnel and towplanes just before aero towing from Elmira, N. Y. to Salem, New Hampshire Gliderport.

An increasing number of America's leading soaring clubs and commercial schools depend upon the 2-22E and 1-26 team to provide the finest equipment for training and general fun soaring.

Proved by thousands of flights and hundreds of FAI Awards won by their pilots.

If you haven't flown the 2-22E or 1-26 contact your nearest Schweizer Dealer now. He will be glad to answer your questions on the ATC'd kits and complete sailplane. Ask him to arrange a check out and discover for yourself why the 2-22E and 1-26 are America's Top Team.
